

## **2021-22 Blue Sky Sand Volleyball Tournament Resources**

### **Rally Volleyball**

The closest and largest volleyball training facility that offers beach juniors tournaments year round. Most tournaments are not sanctioned, but will specify. Here is their 2021-22 schedule:

### **AVP America**

One of the easiest ways to find junior beach tournaments coast-to-coast. All tournaments are sanctioned so an AVP membership would be required to compete. They recently merged with NGB Rox Volleyball so their tournaments are included. You can search by region, date, and hosting organization. Select "beach" as the event type and "juniors" as the division first:

### **AAU Beach Volleyball**

This NBG has not posted their 2022 schedule but provides another extensive list of sanctioned tournaments. An AAU membership would be required to compete.

### **P1440**

Another NGB with a search feature to find junior beach tournaments. All tournaments are sanctioned so a P1440 membership would be required to compete. You can search by region, date, and hosting organization. Select "Tournaments" as the event type and "Has Juniors Division" first:
